## PREMIUM CLOGS

This is the Sloggers "traditional" gardening clog that started it all.

It's open back, slip-in design, and our signature "premium" moisture wicking, anti-microbial insole, makes it one of the best gardening clogs you can buy.

They are made from 100% RECYCLABLE, medical grade material that will last for years, and of course it will hose right off clean when your work is done.

**Colours:** Men's – Black

Women's – Geisha Blue, Kiwi Green, Plum, Soft Blue, Cranberry, Black

**Sizes:** Men's: 9-12 US

Women's: 6-10 US.

# SPLASH SHOES AND BOOTS

Whether you're working in the garden, or out-and-about town on a rainy day, you'll be comfortable in your new Sloggers Splash Shoes or Boots.

You'll love the slip-on convenience and comfort, the ease of cleaning and secure traction, but most of all, you'll love all the compliments coming your way.

They include our "All-Day-Comfort" insoles, our signature deep lug sole for great traction in wet and muddy conditions, and a soft binding around the top.

These shoes are made from 100% **RECYCLABLE**, medical grade material so they have a soft feel, no odor, are easy to hose off clean, the sole contains up to 50% recycled material.

Sizes: Women's: 6-10 US.
